

**POST HOLDINGS, INC.**

**AUDIT COMMITTEE CHARTER**

The Audit Committee of the Board of Directors shall consist of members, including a Chairman, appointed by the Board. All members shall be independent directors, as determined by the Company in accordance with New York Stock Exchange (“NYSE”) criteria and the rules and regulations of the Securities and Exchange Commission (“SEC”); and further, no member shall have any material relationship, with the Company or otherwise, that in the opinion of the Board would interfere with the exercise of independent judgment as a Committee member. The Committee shall not consist of fewer than three non-employee members. All members of the Committee shall be financially literate, and at least one member shall be an “audit committee financial expert” as defined by the rules and regulations of the SEC.

No Committee member shall simultaneously serve on the audit committees of more than two other public companies unless the Board determines, in its judgment, that such simultaneous service would not impair the ability of such member to effectively serve on the Committee.

The Board shall appoint an individual to serve as Chairman, and may also appoint a Secretary for the Committee. A majority of the members of the Committee shall constitute a quorum for all purposes and the act of a majority of the members present at any meeting at which a quorum is present shall be the act of the Committee.

**Purpose**

The Board appointed the Committee to oversee:

- the quality and integrity of the Company’s financial statements and financial reporting;
- the independence and qualification of the Company’s independent auditors;
- the performance of the Company’s internal audit function and independent auditors;

- compliance with legal and regulatory requirements, codes of conduct and ethics programs established by management and the Board; and
- the preparation of an annual report for inclusion in the Company’s proxy statement as the Audit Committee Report.

In discharging its oversight role, the Committee is empowered to investigate any matter brought to its attention with full access to all books, records, facilities and personnel of the Company. The Committee has the authority to retain outside counsel, advisors or other experts, as it deems necessary or advisable. The Company shall provide for appropriate funding, as determined by the Committee, in its capacity as a committee of the Board, for payment of: (1) compensation to any registered public accounting firm engaged for the purpose of preparing or issuing an audit report or performing other audit, review or attest services for the Company; (2) compensation to any advisors employed by the Committee; and (3) ordinary administrative expenses of the Committee that are necessary or appropriate in carrying out its duties. The Board and the Committee are in place to represent the Company’s shareholders; accordingly, the independent auditor is ultimately accountable to the Board and the Committee.

## Meetings

The Committee shall meet as often as its members deem necessary to perform the Committee's responsibilities.

The Committee shall meet periodically, with management, the senior-most internal auditor, and the independent auditors in separate sessions to discuss any matters which the Committee or these groups believe should be discussed privately with the Committee. The Committee will also meet at any time that the independent auditors believe communication with the Committee is required.
